

Attn: Small Animal Surgery Residency Advisor/Director

Arthrex Vet Systems is pleased to invite your current surgical resident to our 2nd Annual Resident Arthroscopy Course on June 13th and 14th, 2008 in our Scottsdale Arizona training facility. This hands-on course will be taught by Diplomate ACVS surgeons that are leaders in the field of arthroscopy.

The course curriculum for this year is attached for your review.

To be eligible, residents must meet these criteria:

- 1st or 2nd year current surgical resident
- Conforming residency
- Registered with ACVS
- Must submit one letter of support or recommendation demonstrating an interest and skill in small animal orthopedics

Due to space limitations, we are limiting the lab to the first 14 registrants. Online registration will be available shortly at www.arthrexvetsystems.com under the Labs tab.

The course fees are \$1300 and will include 3 nights lodging, meals, instruction, cadaveric specimens, supplies and transportation from the hotel to the training facility. Attendees will be responsible for airfare and transportation to and from the airport. A full refund will be issued if cancellation is received 45 days before course is scheduled to begin.
